PREAMBLE

This Agreement entered into by and between the Lockheed Aircraft Corporation, California Division, a California Corporation (hereinafter called "the Company," including in the term "the Company" only those plants covered by this Agreement as defined in Article I, Section 2, hereof) and the International Association of Machinists and Plant Protection Lodge #1638 affiliated with Aeronautical Industrial District Lodge 727 (hereinafter called "the Union"), a non-profit organization, evidences the desire of the parties hereto to promote and maintain harmonious relations between the Company and its employees, as they are defined in Article I, Section 2 of this Agreement, and the Union as their representative.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 1, Sole Agreement

This Agreement, when accepted by the parties hereto, and signed by their duly authorized agents shall constitute, except for the Supplemental Agreement regarding the application of a separate retirement plan and the Agreement for Supplemental Layoff Benefits, the sole agreement between them.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 2, Recognition and Jurisdiction

(A) Definition of Bargaining Unit:

For the period of this Agreement, the Company recognizes and accepts the Union as the exclusive representative of the hereinafter defined employees of the Company, for purposes of collective bargaining in respect to rates of pay, wages, hours of employment, or other conditions of employment. The word "Employee," or "Employees," as used in this Agreement, means all hourly-paid Plant Protection Officers of the Company employed to work at its plant or plants which are operated by the California Division within Los Angeles County, California, including any new plant or plants which the Company may hereafter establish or acquire and operate, within Los Angeles County, California, as an integral part of the California Division (except where another collective bargaining agent has established collective bargaining rights in such new or acquired plant).

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 3, Period of Agreement

This Agreement shall remain in full force and effect from August 8, 1960 to, and including, July 14, 1962, and thereafter from year to year unless one party or the other gives notice in writing during the period from 12:01 a.m., April 30 through midnight May 14 or during a like period in subsequent years proposing modifications or amendments. Such notice shall specify the modifications or amendments desired. The parties agree to commence negotiations within fifteen (15) days after the giving of such notice and it is the intent of the parties to confine negotiations to such modifications or amendments as are specified in such notice. In the event of a failure of the parties to reach an agreement upon such modifications or amendments by July 14, 1962 or July 14, of any subsequent yearly period for which this Agreement remains in full force and effect, either party, at any time thereafter, may terminate this Agreement upon five (5) days' written notice to the other.

In the event of instructions from the Federal Government to alter or change the working schedule now in effect, the Company may, upon fifteen (15) days' written notice, reopen negotiations with the Union to the end of amending such Sections of this Agreement as pertain to hours of work and/or overtime payment for the sole purpose of considering objectives desired by the Government.

Any notice given under this Section shall be deemed to be served when mailed postage prepaid, registered or certified mail, return receipt requested, or delivered in hand, receipt requested, to the Director of Industrial Relations, Lockheed Aircraft Corporation, California

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 3, Period of Agreement (continued)

similarly mailed or delivered to the President, Aeronautical Industrial District Lodge 727, 2600 West Victory Boulevard, Burbank, California, for service upon the Union. The date of receipt shown on the registered or certified mail return receipt or on the written receipt of personal service, whichever is earlier, shall be the controlling date for all purposes under this Agreement.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 4, Performance Required

Either party hereto shall be entitled to require specific performance of the provisions of this Agreement. Any violation of the provisions of this Agreement on the part of any Company employee in a full-time supervisory capacity shall be considered as a violation of this Agreement on the part of the Company. Any violation of the provisions of the Agreement on the part of the Union Steward and/or representatives shall be considered a violation of this Agreement on the part of the Union; provided, however, that action by a Union Steward which is not authorized, concurred in or supported by the Union will not constitute a breach of this Agreement on the part of the Union for the purposes of Article I, Section 8. Time is the essence of this Agreement.

The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent for any further waiver of such breach or condition.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 5, Agreement Not Assignable

This Agreement is not assignable. In the event of change of management, or geographical location of plants, or sale of the Company, the present management shall use its best efforts to insure the continuation of this Agreement during its prescribed period.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 6, Right to Manage Plant

The Company has and will retain the right and power to manage the plant and direct the working forces, including the right to hire, to suspend or discharge for just cause, to promote, demote, and transfer its employees, subject to the provisions of this Agreement. Any claim that the Company has exercised such right and power contrary to the provisions of this Agreement may be taken up as a grievance.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 7, Strikes and Lockouts

For the duration of this Agreement, the Union agrees that there shall be no strike, concerted slowdown, or stoppage of work, and the Company agrees that it will not cause or engage in any lockout. Should any controversy occur between the Company and employees other than those covered by this Agreement, which results or threatens to result in a strike, work stoppage, curtailment or interference with production, the employees covered by this Agreement will not participate in such strike, work stoppage, curtailment or interference with production, but will continue to report for duty, remain at their posts and discharge fully their duties.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 8, Union Responsibility

The Union agrees with the objectives of achieving the highest level of employee performance and efficiency consistent with safety, good health and sustained effort, and will not take, authorize, or condone any action which interferes with the attainment of such objective. In the event of a breach by the Union of the provisions of Article I, Section 7, of this Agreement, the Company may abrogate this entire Agreement.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 9, Separability

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by a decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section 10, Furnishing of Agreement to Employees

The Company shall give each employee presently employed and each new employee at the time he is hired a copy of this Agreement and shall during the first week in which he is hired, acquaint each such new employee with one of the Union Stewards on his shift.

ARTICLE I - GENERAL CONDITIONS OF THE CONTRACT  
Section II, Security Regulations

The Union recognizes that the Company has certain obligations in its contracts with the Government pertaining to security, and agrees that nothing contained in this Agreement is intended to place the Company in violation of its security agreements with the Government.

Therefore, in the event that the U. S. Air Force, U. S. Navy, or other Government Agency duly concerned with Lockheed Aircraft Corporation security regulations, advises the Company in writing that any employee in the Union bargaining unit is restricted from work on or access to classified information and material, the Union will not contest such action as the Company may take pursuant to such advice to comply with its security obligations to the Government. In the event such Government Agency, following the taking of such action, advises the Company in writing that such an employee is no longer restricted for work on or access to classified information and material, the Company shall, promptly after receipt of such written advice from such Government Agency, reinstate with seniority and subject to the provisions of Article IV such an employee, if he promptly applies for such reinstatement, to the same job classification and rate of pay he held at the time such action was taken, and will join such employee and/or the Union, at such employee's request, in an application to such Government Agency for restoration by the Government of lost pay.

ARTICLE II - UNION-COMPANY RELATIONS  
Section 1, Union Stewards

As designated by the Union, there shall be on each shift a Group Steward for each fifty (50) employees or fraction thereof, and a Senior Steward for every nine (9) Group Stewards or fraction thereof, provided however that on a shift with less than fifty (50) employees there shall be only one (1) Steward who shall be a Senior Steward. In unusual circumstances, particularly as may be presented in outlying plants, the number and location of Union Stewards may be adjusted by mutual agreement.

Not more than once each year, at a time designated by the Union, the Company shall permit all employees to vote on Company property and during working hours for Stewards; the voting shall be conducted under rules and regulations as may be established by the Union, subject to the approval of the Company.

Stewards will be permitted to take the necessary time off from work for the following Company-Union business:

- (1) For meetings with the Chief of Plant Protection to discuss complaints or grievances of employees.
- (2) For such telephone conversations as are necessary with employees who have filed complaints or grievances.
- (3) For discussions with an authorized Business Representative of the Union when the latter finds it necessary to contact the Steward on employee complaints or grievances or on matters arising out of the application of this Agreement.

ARTICLE II - UNION-COMPANY RELATIONS  
Section 1, Union Stewards (continued)

It is agreed that the contacts on Company time which are provided for in this section will be no more frequent and no longer than the matter for discussion reasonably requires. Such contacts shall not be made during shift changes or lunch periods.

A Union Steward of whose status as such Union Steward the Company has had twenty-four hours' written notice shall not be transferred from one shift to another except with the consent of the individual Steward concerned, provided he is competent to perform the work remaining on the shift in the department.

ARTICLE II - UNION-COMPANY RELATIONS  
Section 2, Business Representatives and Union Officials

The Business Representatives of the Union shall have access to the Company's plants or to the departments of the Company's plants to which they are assigned, for the purpose of contacting Union Stewards concerning employee complaints or grievances or matters arising out of the application of this Agreement. Such visits shall be subject to such regulations as may be made from time to time by the Company, the U. S. Army, the U. S. Navy and the U. S. Air Force. The Company shall not impose regulations which will exclude the Business Representatives from the plants nor render ineffective the intent of this provision.

No full-time Union Official or Business Representative shall discuss any problem with employees (other than Stewards) or with the Supervision of any department.

ARTICLE II - UNION-COMPANY RELATIONS  
Section 3, Bulletin Boards and Posting Notices

The Union shall furnish bulletin boards subject to approval by the Company of the size, color, configuration and general appearance of such bulletin boards. The Company shall provide space on Company property at locations agreed upon and install and maintain such Union bulletin boards for the posting of the following types of notices:

- (1) Notices of Union recreational, social and welfare activities;
- (2) Notices of Union elections;
- (3) Notices of Union appointments and results of Union elections;
- (4) Notices of Union meetings;
- (5) Such other notices as may be mutually agreed upon by the Union and the Company.

The Union shall not distribute or post, nor authorize its members to distribute or post, any material anywhere on the Company's property except as herein provided. The Company may remove such bulletin boards in the event of repeated violation of this section or for reasons such as alterations in plant facilities, etc., and will inform the Union whenever the Company removes such bulletin boards.

ARTICLE II - UNION-COMPANY RELATIONS  
Section 4, Solicitation of Memberships

Employees and Union representatives shall not solicit Union memberships or collect dues on Company property on the Company time of any employee, although such activities may be conducted by employees on Company property on the free time of the employees.

ARTICLE II - UNION-COMPANY RELATIONS

Section 5, Reports and Information to be Furnished to the Union

The Union and the Company may request the following reports and information which are to be furnished as soon as possible; such requests shall be made only by the Business Representative of the Union and the Labor Relations Manager of the Company.

1. Upon the request of the Company, the Union shall certify to the Company the number of its members.
2. Upon the request of the Union the Company shall furnish the Union:
  - (a) A monthly seniority roster of employees.
  - (b) Upon hiring an employee, the Company shall mail a copy of the hiring notice to the main Union Office at 2600 West Victory Boulevard, Burbank, within twenty-four (24) hours of the commencement of his employment.
  - (c) On a layoff, insofar as is practicable, prior to the date of the layoff, the names of the employees to be laid off.
  - (d) A monthly list of employees dropped from the recall list by reason of loss of seniority.

ARTICLE III - GRIEVANCE PROCEDURE AND ARBITRATION  
Section 1, Method of Handling Grievances

An employee may first present his complaint to the Chief of Plant Protection, either in person or through his Union Steward. However, if the employee so desires he may deliver a written grievance to his Union Steward and proceed in accordance with Step 1 of the grievance procedure.

The procedure on employee grievances, except on grievances arising out of termination, layoff and rehiring, shall be as follows:

Step 1. An employee who wishes to present a grievance shall state his grievance in writing on a form to be mutually agreed upon by the Union and the Company, which shall be dated and signed by the employee and shall set forth a complete statement of the grievance, the facts on which it is based, the time of their occurrence and the remedy or correction desired. The employee's Steward shall deliver such grievance to the Chief of Plant Protection. Unless such grievance, signed by the employee, has been delivered to the Chief of Plant Protection within twenty-three (23) working days ("working days" as used in this Article III shall mean Monday, Tuesday, Wednesday, Thursday and Friday, except where one of those days is one of the seven (7) holidays referred to in Article VI, Section 3, Paragraph one (1) and shall not include Saturday and Sunday or such holiday even if worked) after the occurrence upon which the grievance is founded, the grievance shall be deemed to be waived. The Chief of Plant Protection and the Steward shall use their best efforts to settle the grievance. Within five (5) working

Section 1, Method of Handling Grievances

Step 1. (continued)

days after receipt of the written grievance, the Chief of Plant Protection shall deliver his answer, in writing, to the Steward. If a settlement has not been reached and the Union desires to proceed further with the grievance, the Union, within nine (9) working days after receipt of the Chief of Plant Protection's answer, shall proceed in accordance with Step 2.

Step 2. The Union shall deliver to the Industrial Relations Office a copy of the written grievance. After an investigation by the Industrial Relations Office, a representative of the Union and the Industrial Relations Office shall meet and use their best efforts to reach a settlement. Within nine (9) working days after receipt of such grievance, the Industrial Relations Office shall deliver to the Union its answer in writing. If a settlement has not been reached and the Union desires to proceed further with the grievance, the Union, within nine (9) working days after receipt of such answer, shall proceed in accordance with Step 3.

Step 3. The Union shall deliver to the Industrial Relations Office written notice that it desires to present the grievance to the Labor Relations Committee in accordance with the provisions of Section 2 of this Article and the grievance shall be considered by the Committee. Unless the Union, within thirty-three (33) working days after receipt by the Industrial Relations Office of said written notice schedules the grievance for hearing and

Section 1, Method of Handling Grievances (continued)

Step 3. (continued)

decision by the Labor Relations Committee, such grievance shall be deemed to be waived. If that Committee fails to settle the grievance, the Union may proceed in accordance with Section 3 of this Article.

The procedure on grievances arising out of termination, layoff, or rehiring, shall be as follows:

The employee shall deliver his signed grievance to the Union who may deliver such written grievance to the Industrial Relations Office and proceed as set forth in Step 2 of this Section. Unless the written grievance signed by the employee has been delivered to the Industrial Relations Office within nine (9) working days after the discharge, layoff or rehiring complained of, the grievance shall be deemed to be waived.

The Company shall not confer with an employee with respect to a written grievance filed by him unless the employee's Steward has been notified and given an opportunity to be present.

Failure of the Union to proceed within any time limit set forth in the procedure hereinbefore stated, shall constitute a waiver of the grievance. Failure of the Company to act within the time limit set forth in any Step shall entitle the Union to proceed to the next Step. In a particular case, any time limit specified hereinabove may be extended by mutual agreement in writing between the Company and the Union.

ARTICLE III - GRIEVANCE PROCEDURE AND ARBITRATION  
Section 2, Labor Relations Committee

A Labor Relations Committee is hereby established comprised of not to exceed four (4) representatives of the Union and four (4) representatives of the Company. The representatives of the Union shall be the President or another official of the Union and not to exceed three (3) employees of the Company. The President or another official of the Union and two (2) employees of the Company representing the Union together with three (3) representatives of the Company shall constitute a quorum.

The Labor Relations Committee shall meet once each week except when no grievances are pending and shall review and attempt to settle all grievances which shall remain unsettled after the procedure set forth in Section 1 of this Article has been followed. The agenda for each meeting shall schedule those grievances on which written notice has been received by the Industrial Relations Office at least three (3) regular working days prior to the time of the meeting. Any meeting may be cancelled or postponed with the mutual consent of the Union and the Industrial Relations Office of the Company.

The decisions of the Labor Relations Committee shall be considered as final if a majority of the Union representatives present and a majority of the Company representatives present concur, provided such representatives constitute a quorum. If the Committee fails to adjust a grievance, either party may proceed as set forth in Section 3 of this Article.

ARTICLE III - GRIEVANCE PROCEDURE AND ARBITRATION  
Section 3, Arbitration

Any grievance which has not been settled pursuant to Sections 1 and 2 of this Article, and which involves the interpretation or application of this Agreement, may be referred to arbitration. Unless the party seeking to have the grievance referred to arbitration has delivered to the other written notice to that effect within nine (9) working days after the Labor Relations Committee has rendered its decision, such grievance shall be deemed to be waived. The parties shall by mutual agreement select an arbitrator and shall execute a submission agreement. If the parties fail to agree on a joint submission each shall submit a separate submission and the arbitrator shall determine the issue or issues to be heard, provided that said issue is arbitrable in accordance with this section. The joint or the separate submission shall state the issue and the specific clause or clauses of this Agreement which the arbitrator is to interpret or apply.

If the Company and the Union fail to agree upon an arbitrator they may request the Federal Mediation and Conciliation Service to submit a list of five persons from which the arbitrator shall be chosen. The Union and the Company shall alternately strike one name from such a list (the right to strike the first name having been determined by lot) until only one name remains and that person shall be the arbitrator.

The arbitrator shall have the authority to interpret and apply the provisions of this Agreement, but shall not have the authority to amend or modify this Agreement or to establish new terms and conditions of this

ARTICLE III - GRIEVANCE PROCEDURE AND ARBITRATION  
Section 3, Arbitration (Continued)

Agreement. There shall be no stoppage of work on account of any controversy which may be made the subject of arbitration and the decision of the arbitration shall be final and binding on the Company, the Union and the employee.

The arbitrator shall be paid by the parties hereto. The compensation and expenses of the arbitrator and arbitration including the expenses for reports or transcripts requested by the arbitrator or mutually agreed to by the parties, shall be divided equally, provided, however, that each party shall bear the expenses in respect to its own witnesses. Each party shall pay one-half of the aggrieved employee's time lost from work for appearance at the arbitration proceedings.

ARTICLE IV - SENIORITY

Section 1, Basis of Seniority

Seniority shall be the relative status of employees in respect to length of service with the Company subject to the following qualifications:

- (1) An employee hired within Los Angeles County, or transferred to such area to work within it, shall have seniority within Los Angeles County dating from his original hire or rehire by the Company. An employee regularly working in Los Angeles County who is transferred for regular employment to a plant or base of operation outside such area, and who thereafter is transferred back from such outside plant or base to immediate employment with the Company in Los Angeles County shall have seniority in such area dating from his original hire or rehire by the Company. A training period within Los Angeles County for service elsewhere shall not be considered as service in the County.

In the event work performed at the Company is transferred to a plant of the California Division outside the scope of this Agreement, the Company and the Union shall at that time negotiate with respect to which employees shall be permitted to transfer to such plant. Employees so permitted to transfer shall do so with all employee rights and benefits except where another collective bargaining agent has established

ARTICLE IV - SENIORITY

Section 1, Basis of Seniority (Continued)

collective bargaining rights at such plant. All such employee rights shall continue unless and except as restricted by a subsequent collective bargaining agreement negotiated with the collective bargaining agent representing such employees at the new plant.

- (2) An employee heretofore or hereafter transferred from an occupation covered by this Agreement to a salaried occupation within Lockheed Aircraft Corporation shall continue to accumulate seniority and in case of transfer to an occupation covered by this Agreement, such seniority shall apply.

A salaried employee shall not be placed in an occupation covered by this Agreement unless he possesses greater seniority than the most senior, qualified employee on the recall list for such occupation. If such salaried employee has been laid off, his right to placement in an occupation covered by this Agreement shall be subject to the same provisions as are set forth in Section 6 of this Article.

- (3) An employee heretofore or hereafter transferred from an occupation covered by this Agreement to an hourly-paid occupation with Lockheed Aircraft Corporation not covered by this Agreement shall continue to accumulate seniority, and in case of subsequent transfer to an

Section 1, Basis of Seniority (Continued)

occupation covered by this Agreement such seniority shall apply. An employee hired within an hourly-paid occupation not covered by this Agreement and thereafter transferred into an occupation covered by this Agreement, shall have seniority dating from his original hire or rehire by the Company.

- (4) A part-time employee shall be entitled to credit for length of service in the same proportion that time regularly worked by such part-time employee bears to the time regularly worked by a full-time employee except for purposes of layoff and rehiring after layoff.

For purposes of layoff, part-time employees shall not be considered to have acquired seniority.

- (5) An employee who is hired by the Company and begins work at the Company within a period of thirty (30) calendar days beginning with the day next following the day said employee was terminated from employment at a plant of a subsidiary corporation of Lockheed Aircraft Corporation or a plant of Lockheed Aircraft Corporation not covered by this Agreement, and is not entitled to seniority pursuant to the above paragraphs of Section 1, Article IV of this Agreement, shall acquire seniority on the same basis as a newly hired employee except that,

- (a) Such employee shall not be required to serve the probationary period provided in Section 2, Article IV of this Agreement;

ARTICLE IV - SENIORITY  
Section 1, Basis of Seniority

- (5) (b) Such employee's years of seniority, for the purpose of determining the length of vacation with pay (and not for determining "vacation eligibility date") to which said employee shall be entitled under Article VI, Section 1, Paragraph (B) of this Agreement, and for the purpose of determining his eligibility for Additional Group Life Insurance, Article VI, Section 5 (B), Paragraph (3), shall be determined on the basis of seniority date such employee had at the time he was terminated at such subsidiary corporation or plant.

ARTICLE IV - SENIORITY

Section 2, Establishment of Seniority Rights

Three months after an employee starts to work, he shall acquire seniority rights, and his seniority shall be retroactive to his starting date. During the first three months of his employment he shall be considered on probation, and shall be subject to termination at the sole discretion of the Company.

ARTICLE IV - SENIORITY  
Section 3, Layoffs

- (1) Employees shall be laid off in order to seniority within an occupation, where ability, skill and efficiency are substantially equal.
- (2) Employees who have not acquired seniority rights may be laid off without regard to relative length of service.
- (3) Employees scheduled for layoff, will be considered for placement in available openings in other occupations which they are capable of performing.
- (4) In the application of paragraph (1) of this Section, Union Stewards, of whose status as such Stewards the Company has had twenty-four (24) hours' written notice, shall be deemed to have top seniority.

ARTICLE IV - SENIORITY  
Section 4, Recall After Layoff

Laid-off employees (including employees who are laid off and rehired without loss of seniority into other occupations within the Company not covered by this Agreement and employees who are transferred in lieu of layoff to any such occupation) shall be recalled in order of seniority, where ability, skill and efficiency are substantially equal.

If a laid-off employee fails to report, for an interview for work by the second day after the date on which the Company shall have sent a notice by wire, or on the third day if notice is by registered mail, to such employee at his last address filed with the Company, or at such other date thereafter as the Company may designate, the employee shall not be entitled to the job but shall be entitled to hold his place on the seniority list and to be considered for the next vacancy for which he is eligible.

ARTICLE IV - SENIORITY  
Section 5, Employees Entering Armed Forces

Employees (other than temporary employees) who prior to June 24, 1948 left the employment of the Company for the purpose of entering the Armed Forces of the U. S., shall be re-employed by the Company in accordance with the provisions of the Selective Training and Service Act of 1940, and as such Act may be amended. Those who shall have left the employment of the Company on or subsequent to June 24, 1948 for the purpose of entering the Armed Forces of the U. S., shall be re-employed by the Company in accordance with the provisions of the Selective Service Act of 1948 as amended by the Universal Military Training and Service Act of 1951, and as such Act may be amended. Employees who shall have left the employment of the Company for the purpose of entering the Armed Forces of the U. S., or of the State of California shall be re-employed by the Company in accordance with the provisions of any applicable statute of the State of California.

It is understood and agreed that no liability for the violation of any provision of this Agreement shall be predicated on any act done or omitted in good faith under the aforesaid Acts or statutes, if such action or omission was in accord with any then in effect, regulation, order, ruling, court decision or administrative interpretation issued by any authorized person or agency or court of competent jurisdiction.

Any employee required to be absent from work for selective service business shall be granted pay for work time lost or an employee ordered

ARTICLE IV - SENIORITY

Section 5, Employees Entering Armed Forces (Continued)

by the military reserve to report for a physical examination shall be granted pay for work time lost, which pay shall not exceed pay at the regular rate for eight hours, provided:

- (1) The day of absence from work is necessary to enable the employee to report to the Selective Service Board or military reserve station as ordered, and
- (2) The absence falls within the employee's regular work shift period, and
- (3) The absence is to be temporary, following which the employee will return to work, and
- (4) The absence does not involve an overtime day.

ARTICLE IV - SENIORITY  
Section 6, Loss of Seniority

An employee shall lose his seniority upon the happening of any one of the following events:

- (1) Resignation (a five-day unreported absence without a reasonable explanation shall be considered a resignation).
- (2) Discharge for just cause.
- (3) If, after layoff, the employee is notified to report for an interview for work, by registered mail, or telegram, addressed to him at the last address filed by him with the Company, and fails within one (1) week after notification or such additional time as the Company may grant either to report for an interview or to deliver to the Company a reasonable excuse for failure to report.
- (4) Failure, after an interview, to report for work at the time designated by the Company or to furnish to the Company a reasonable excuse for failure to report.
- (5) Failure to give written notice of his availability for employment together with his then current address delivered by registered or certified mail, telegram, or in person to the Employment Office of the Company every January and July after a layoff.
- (6) Layoff (or transfer in lieu of layoff to another occupation within the Company not covered by this Agreement) for a period of twenty-four consecutive months.

Attention: E. M. O'Connor, President

Gentlemen:

During recent negotiations of the Agreement between the California Division of Lockheed Aircraft Corporation and International Association of Machinists and Plant Protection Lodge 1638, affiliated with Aeronautical Industrial District Lodge 727, effective August 8, 1960 it was agreed by the Company and the Union, as they are defined in said Agreement of August 8, 1960, that the following understandings are to remain in effect for the duration of said Agreement:

1. Prior to issuing any bulletin or directive which involves procedures implementing or clarifying the terms of the Agreement between the Company and the Union, the Company will communicate with the Union by letter setting forth the action to be taken by the Company.
2. If any changes are made in the regulations governing the wearing of badges, showing of passes, inspection of lunch boxes, purses, etc., or regulations affecting the entry or exit of persons or property, the Company will publicize such regulations so that employees generally will have an opportunity to be advised of the changes before they become effective.
3. Regulations have been issued permitting employees at most posts to smoke while on duty, except during change of shifts or regular lunch periods.

The following informal understandings, not made a part of the Agreement, were also reached.

1. The Company will continue the practice of issuing to the employees forms on which they may indicate their preference with respect to shift and work week assignments. The employee shall file his request on such forms at intervals when he wishes to request a change in his assigned shift and/or work week. Such forms when filed will be in duplicate with one copy to be retained in the Chief of Plant Protection's office and the other to be submitted to the Senior Steward of the respective shift. On transfers to shift and work week assignments, consideration will be given requests as provided in Article IV, Section 7 of the Agreement;

1. (continued)

provided, however, that the Company will rotate as nearly as practicable on the basis of thirty (30) calendar days all employees requesting assignments to any plants situated in the Los Angeles metropolitan area, other than the Burbank area, regardless of the number of days actually worked by such employees at such plants. Time spent by employees at such plants on temporary assignments shall not be considered for purposes of rotation. In the event insufficient employees request such assignments the Company will assign the least-senior qualified employees to such plants.

2. The Company will record the distribution of daily overtime worked by each employee (exclusive of the time worked on the sixth and seventh days of his work week) on a 60-day basis. Overtime worked during each 30-day period shall be posted as soon thereafter as is practical. In addition, at the end of each six (6) months, the Company will recapitulate and post all overtime worked during such period.
3. Assignments to work sixth and seventh day overtime are to be made on a rotation basis.
4. The provisions of Article V, Section 7, with respect to uniforms, are not applicable to employees hired on a temporary basis for vacation relief, and retained on that basis for a period not to exceed six (6) months.
5. Any two employees desiring to effectuate a trade of shift or work week may do so, provided that there is a mutual agreement to the trade between the two employees and the Union Steward, or Stewards, representing the employees. If such an agreement is reached, the Senior Steward shall then discuss the matter with the Chief of Plant Protection, with the view in mind of arriving at a mutually agreeable arrangement for the transfer.

When such transfers are finally concluded, and wherein this procedure has been followed, it is mutually agreed that grievances on the matter will not be processed.

6. For the period of August 8, 1960 to and including July 14, 1962 the standard uniform to be issued to each employee following the completion of his probationary period shall be comprised of the following items:

Two (2) caps, three (3) tropical worsted shirts, two (2) pairs of regulation weight pants, one (1) Eisenhower-type jacket, two (2) black ties, one (1) uniform belt, one (1) pistol belt and holster, one (1) regulation chrome-plated badge, cap piece and chin strap, and one (1) coat (commonly referred to as a pea coat) provided that such coat shall be made available only upon specific request by an employee.

6. (continued)

In addition to the above articles, each employee will be furnished by the Company, upon the request of the employee, two (2) pairs of summer-weight wool pants, six (6) uniform summer-weight cotton shirts and either one (1) summer cap or one (1) sun helmet during the period between May 1, and September 1. At Palmdale and Rye Canyon the period in which the two (2) pairs of summer-weight wool pants may be requested will be from May 1 to October 1. Notwithstanding the above provision in the event any such request is received immediately prior to the commencement or end of any such period, the Company may determine the type of pants and shirts that will be furnished. An employee to whom a matching overcoat has been issued pursuant to Paragraph 6 of the letter of December 27, 1954 regarding this subject shall not be permitted to request the pea coat referred to above in this paragraph, except that when replacement of such matching overcoat is determined necessary by the Company, such matching overcoat shall be replaced by the pea coat referred to above.

Each employee shall sign a uniform equipment receipt covering the articles listed above which are actually furnished to him; provided, however, that replacement articles shall not be included in such receipt, except that a notation shall be placed thereon showing the date such replacements are furnished.

The Company will replace such articles from time to time, when such replacements are determined necessary by the Company. Employees shall not be required to return articles of uniform equipment which, being worn out, have been replaced.

If the above correctly sets forth your understanding of our agreement, it is requested that you sign the attached copy of this letter in the space provided and return it to this office at your early convenience.

Very truly yours,
